

Name _____

Ellis Island's Legacy

Short Answer Key

1. Ellis Island was an immigration station where millions of people entered the U.S. from 1892 to 1954.
2. It reminds people that America was built by immigrants, and it helps people think about modern immigration policies.
3. Some believe immigrants bring new ideas and cultures that help the country grow.
4. Immigrants faced medical exams, long waits, and sometimes deportation.
5. The museum teaches people about the struggles and successes of immigrants.
