

Name _____

The Enigmatic Enigma of Elmwood High

Short Answer Key

1. The primary members of the student detective team were Max (tech whiz), Emma (art enthusiast), Lily (code decipherer), and Jake (problem solver). Max set up cameras, Emma collected rubber ducks, Lily deciphered codes, and Jake helped with various tasks.
2. They located the hidden chamber beneath the school by following a trail of clues left by Eliza Winslow's journal, which led them to the dusty library's archives.
3. The former students broke into the school to rearrange classrooms and leave cryptic messages in their quest to find the Book of Enigmas, which they believed held answers to their personal mysteries.
4. Eliza Winslow's journal provided crucial clues and riddles that led the student detectives to the hidden chamber and the Book of Enigmas. It was essential to deciphering the mystery.
5. The student detectives and former students came to a resolution by agreeing to let the former students read the Book of Enigmas in exchange for helping restore the school and making amends.
