

Name _____

Embracing Differences

Short Answer Key

1. Some classmates teased him, while others were amazed by his abilities.
2. Stanley learned that being different didn't mean he couldn't do great things.
3. Arthur felt that Stanley got more attention than him, which made him jealous.
4. He used his flatness to help people, such as retrieving lost items and catching thieves.
5. The story teaches that being kind to others, no matter their differences, is important.
