

Name _____

The Enchanted Artifacts

Short Answer Key

1. The mysterious chest was ancient and covered in vines. It had an aura of mystery surrounding it.
2. David gained the ability to control water with the crystal wand. He used it to create dazzling displays of water sculptures.
3. The friends decided to use their powers to help their town. They took on responsibilities such as helping injured animals, preserving the environment, and assisting their neighbors in times of need.
4. Possible qualities could include bravery, compassion, a sense of responsibility, and a willingness to help others.
5. (This answer will vary depending on personal preference.) For example, someone might choose the feathered quill to draw objects that come to life and use it to create art that inspires and entertains people in their community.
