Name _____

## The Enchanted Game

**Open-Ended Response Questions**

1. Why do you think the friends decided to play "The Enchanted Game" even after strange things started happening?

2. Describe the transformation of the abandoned house from a spooky, abandoned place to a fantastical world. How did the author build a sense of wonder and adventure?

3. If you were one of the friends, what would you have done differently when faced with the challenges of "The Enchanted Game"?

4. How might the friends' experience with "The Enchanted Game" change their friendship and future adventures together?
