

Name _____

The Tale of Lila and the Enchanted Garden

Short Answer Key

1. Lila discovered Iris and the enchanted garden in a hidden corner of her own garden while she was tending to her plants. Her decision to help Iris was motivated by her pure heart and love for nature, as well as her curiosity and desire to make a positive impact.
2. Magical creatures like Iris and the talking flowers, fairies, and sprites play a crucial role in the garden's revitalization. They represent the magic of nature and the wonders that can be found when one cares for the environment with love and respect. These creatures contribute their unique abilities and gifts to help the garden thrive.
3. The transformation of the enchanted garden from a hidden grove to a place of unity in the village signifies the power of nature to bring people together. As the garden flourishes, its magic spreads beyond its boundaries, filling the hearts of villagers with wonder and appreciation for the natural world.
4. The story conveys the message that kindness, care, and love for the environment are essential in nurturing the wonders of nature. Lila's character exemplifies these values as she selflessly tends to the garden and shares its beauty with others. It emphasizes the importance of preserving and protecting the environment.
5. The narrative encourages readers to appreciate the beauty of the natural world and share it with others. It underscores the interconnectedness of all living beings and highlights the wonders of nature that can inspire awe and unity among people.
