

Name _____

The Enchanted Pencil

Short Answer Key

1. Mia's pencil transformed into an enchanted pencil one sunny afternoon, and she named it "Sparky."
2. Sparky could solve math problems on its own, and it could transport Mia to fantastic places. It helped Mia with her homework and turned homework time into magical adventures.
3. Mia visited ancient civilizations, enchanted forests, and even flew among the stars when she held Sparky and closed her eyes.
4. Mia's life became more exciting and filled with adventures after she found Sparky, the enchanted pencil, which helped her with homework and took her on magical journeys.
