## Summer of Enchantment

### Short Answer Key

1. Mia was exploring the tide pools by the beach, and Alex struck up a conversation with her.
2. Alex told Mia about the Seaview Fireflies and their legend, and they made a pact to chase the fireflies together.
3. Alex spent a year abroad, and it awakened his adventurous spirit and love for the sea.
4. Alex wished for the courage to follow his dreams, and Mia wished for a lifetime of adventures with him. These wishes were significant because they represented their deepest desires and dreams for the future.
5. Their love story became the talk of Seaview due to its enchanting nature and the belief that dreams do come true. The message it conveyed was that love and the pursuit of dreams can lead to magical and unforgettable experiences.
