

Name _____

The Principal's Energetic Day

Open-Ended Response Questions

1. How do you think the students in the art class felt when Principal Johnson created a mural at warp speed on the classroom walls?
2. If you were a student at Lincoln Elementary School, how would you have reacted to Principal Johnson's energetic antics throughout the day?
3. In what ways did Principal Johnson's outrageously energetic day bring laughter and chaos to the school? How did it impact the students and teachers?
4. Reflect on the consequences of the prank played on Principal Johnson. What lessons might the pranksters have learned from their actions?
