

Name _____

Green Warriors: The Battle for Environmental Justice

Short Answer Key

1. The industrial complex would have polluted the air and water, threatened wildlife, and destroyed acres of precious forests.
2. Mia and the Green Warriors gained support through organizing rallies, circulating petitions, speaking with local leaders, and receiving help from environmental organizations.
3. Mia faced opposition from the corporations, including attempts to discredit her and her friends, as well as bribery of some town officials.
4. Mia's determination and commitment inspired people of all ages in Evergreen by showing them that one person, regardless of age, could make a difference in the fight for environmental justice.
