Name _____

Fashion Through the Ages: Exploring Fashion History and Eras

Open Response Questions

1. Select one fashion era from the reading and describe how clothing in that era reflected the values and priorities of society at the time. Use specific examples to support your explanation.

2. Imagine you lived during the Rococo and Baroque periods. Describe what your daily clothing might look like and explain why extravagant clothing was popular during that time.

3. Reflect on the fashion changes you've observed in the 21st century. How has technology, social media, and globalization contributed to the diversity of clothing styles and the ability for individuals to express themselves through fashion?
