

Name _____

The Esportastic Revolution

Open Ended Questions

1. Analyze Mayor Max Gameroni's decision to declare video game competitions an official sport in Gameville. How does this decision lead to the Esportastic Revolution, and what message does it convey about the evolving nature of sports and entertainment in modern society? How does the story use humor to depict the transformation of the town?
2. Explore the significance of the outlandish gaming names adopted by the residents of Gameville, such as "Pixel Pioneers" and "Joystick Jokers." How do these names reflect the enthusiasm and creativity of the gamers, and how do they contribute to the story's humor? What does this naming convention suggest about the town's gaming culture?
3. Discuss the unique and humorous aspects of the first official Esportastic competition in Gameville, where players wear oversized foam fingers and race on tricycles while playing games. How does this competition capture the spirit of the Esportastic Revolution, and what message does it convey about the lightheartedness of competitive gaming?
4. Reflect on the role of "Gameville TV" in promoting the Esportastic Revolution. How does the cable channel contribute to the popularity of esports in the town, and what impact does it have on the residents? How does the story use humor to highlight the town's dedication to gaming and the emergence of esports celebrities?
