## The Ethical Inheritance

### Open-Ended Response Questions

1. How do you think the Wallace family's decision to confront the unethical legacy reflects their values and principles? What motivated them to take this path?
2. In what ways did the Wallace family's actions demonstrate a commitment to responsibility and making amends for the past wrongs of their ancestors?
3. What lessons about ethics, responsibility, and the power of choices can be learned from this story?
4. Can you think of any real-life examples where individuals or families have faced similar ethical dilemmas involving their wealth or inheritance? How should such dilemmas be addressed?
