

Name _____

Executive Branch in Action: Enforcing and Executing Laws

Short Answer

1. Explain the role of law enforcement agencies within the executive branch and provide an example of a federal law enforcement agency.
2. How do executive orders and directives issued by the President contribute to the enforcement and execution of laws?
3. Describe the President's role in treaty negotiation and its significance for U.S. foreign policy.
4. What is the purpose of the executive branch's cooperation with state and local law enforcement agencies, and why is it important?
5. Explain the concept of pardons and clemency, and under what circumstances might a President grant them?
