

Name _____

Christopher Columbus: The Explorer Who Sailed Across the Ocean

Open-Ended Response Answer Key

1. Yes, because he sailed into the unknown. / No, because he did not treat the native people well.
2. They might have felt scared, curious, or confused by the new visitors.
3. The hardest part was keeping his crew calm when they didn't see land for weeks.
4. I would explore space because I want to see new planets!
