

Name _____

Ferdinand Magellan: The Man Who Sailed Around the World

Open-Ended Response Answer Key

1. Yes, because he was brave and kept going despite challenges.
/ No, because many of his men suffered and died.
2. It must have been scary, cold, and difficult without enough food and fresh water.
3. The hardest part was sailing across the Pacific for months without knowing what they would find.
4. I would explore space because I want to see other planets!
