

Name _____

Amerigo Vespucci: The Man Who Gave America Its Name

Open-Ended Response Answer Key

1. Yes, because his discoveries changed the way people understood the world.
2. It must have been exciting but also very difficult, with dangers like storms and sickness.
3. I would name it "New Horizon" because it represents a new beginning for people.
4. We can learn to explore new ideas and always seek the truth about the world.
