

Name _____

Georgia: Where the Extraordinary Meets the Ordinary

Short Answer Key

1. A tour of the "Atlanta Underground" allows visitors to explore a hidden world beneath the city's streets, with glimpses of abandoned storefronts and businesses from the 1920s.
2. Warm Springs, Georgia, is historically significant as the retreat of President Franklin D. Roosevelt. Visitors can explore the "Little White House," where he sought treatment for polio.
3. The "Blue Whale" on Tybee Island is a quirky concrete replica of a whale that once served as a roadside attraction with a slide inside its belly.
4. The "Tiny Doors Project" in Athens, Georgia, enhances the city's cultural identity through miniature doors placed throughout, encouraging exploration and interaction with art.
5. Rock City, accessible from Georgia, offers stunning views of seven states, winding paths, beautiful gardens, and massive rock formations.
