## Fair Government

### Short Answer Key

1. Legislative (makes laws), Executive (enforces laws), Judicial (decides if laws are fair).
2. It has a President and Prime Minister who work together, and courts that check laws.
3. India's Constitution was influenced by the U.S. system, making sure power is balanced.
4. It checks laws to make sure they follow the Constitution.
5. Sharing power prevents one person or group from making unfair laws.
