

Name _____

Fair Government

Open-Ended Response Answer Key

1. Without checks and balances, one leader or group could take total control and make unfair rules.
2. Each country has different needs, so they change the system to fit their people and government.
3. In a school, teachers, students, and principals working together to make fair rules is like checks and balances.
4. It stops unfair laws from passing and makes sure all voices are heard.
