

Name _____

Global Family Ties: How Globalization Shapes Family Structures and Social Norms

Short Answer

1. Describe what a multicultural family is and provide an example of how globalization has contributed to the rise of such families.
2. Explain how globalization has influenced changing gender roles within families. Give an example of a situation that reflects these changes.
3. How can media and technology impact family dynamics, especially when it comes to body image and relationships?
4. Discuss the challenges and advantages of family separation caused by globalization, citing specific examples of how it affects families.
5. Share an example of how increased cultural exchange and acceptance, resulting from globalization, has positively affected society.
