

Fantasy Prompt Pack

1. **Mystery of the Enchanted Forest:** While exploring an ancient forest behind your school, you and your friends discover a hidden village where all the animals can talk. What secrets do they share with you, and how do you help them solve a pressing problem?
2. **The Time-Traveling Smartphone:** You find an old smartphone that can transport you to any time period in history. On your first trip, you end up in a medieval kingdom under threat from a dragon. How do you use modern technology to save the kingdom?
3. **Alien Exchange Student:** A new student at your school turns out to be an alien from another galaxy. What challenges do they face trying to fit in, and how do you help them adjust to life on Earth?
4. **The Magical Library:** You discover that the books in your school library are portals to different fantasy worlds. Describe your adventure in one of these worlds and how you must return before the library closes.
5. **Hidden Powers:** One day, you wake up with the ability to control one of the elements (fire, water, earth, air). How do you use your new powers to help your community, and what challenges do you face?
6. **School for Wizards:** You've been accepted to a secret school for wizards hidden in the heart of New York City. Describe your first day, the friends you make, and a mysterious dark force threatening the city.
7. **The Secret of the Amulet:** You find an ancient amulet that grants you extraordinary abilities, but it also attracts the attention of mythical creatures. How do you use the amulet while keeping it safe from those who seek to steal it?
8. **Virtual Reality Fantasy:** A new virtual reality game sweeps the nation, but you soon realize that the fantasy world within the game is becoming too real. How do you navigate this world and find a way back to reality?
9. **The Wish-Granting Creature:** You stumble upon a creature that can grant you three wishes. What do you wish for, and what are the unexpected consequences of your choices?
10. **The Guardians of the Galaxy:** You and your friends are chosen by mysterious beings to become the new Guardians of the Galaxy. What powers do you gain, and how do you protect Earth from an impending intergalactic threat?
