

Name _____

The Fantasy Sports Adventure: Creating Imaginary Champions

Short Answer Key

1. The team captains were elected by their peers.
2. Students came up with player stats and backgrounds by using their creativity and imagination, assigning special powers, skills, and backstories to each player.
3. The Dragon Slayers won the championship game.
4. The students learned the value of imagination, creativity, and teamwork through the Fantasy Sports League.
5. The Fantasy Sports League was considered an adventure because it allowed the students to use their imaginations to create and participate in unique sports experiences.
