

Name _____

The Enchanted Wardrobe: A Time-Traveling Fashion Journey

Open-Ended Response Questions

1. If you could travel through time with the enchanted wardrobe to any fashion era, which one would you choose, and why? Describe the fashion elements you'd be excited to experience.
2. Imagine you were one of the kids in the story. Which era would you find the most challenging to adapt to in terms of fashion and culture, and why?
3. How do you think the lessons about fashion and culture that the kids learned during their adventures apply to the real world? Can you think of any examples from history where fashion reflected the culture of a particular time?
4. In the story, the enchanted wardrobe not only transported the kids through time but also taught them valuable lessons. If you had access to a magical wardrobe, what adventures would you want to go on, and what lessons do you think you might learn along the way?
