## The Dilemma of the Fast Lane

### Open-Ended Response Questions

1. How did Liam's discovery of the performance-enhancing drugs make him feel? How did he initially react to finding them?
2. Why did Liam decide to confront Coach Thompson about the drugs, even though it was a difficult decision for him?
3. What values and principles guided Liam's decision not to use the performance-enhancing drugs?
4. What do you think were the consequences of Liam's decision in the long run, both for his athletic career and his character?
