## The Fates and the Furies: Agents of Destiny and Retribution in Greek Mythology

### Short Answer

1. What were the roles of Clotho, Lachesis, and Atropos in determining a person's destiny?
2. How did the Furies punish those who committed heinous crimes, especially within families?
3. Can you provide an example from Greek mythology where the Fates or the Furies played a significant role in a myth?
4. Explain the connection between the Furies and the House of Atreus cycle of myths.
5. How did the Furies pursue justice, and what were their appearances like?
