## Fear's Echo

### Open-Ended Response Questions

1. If you were Eckels, what would you have done differently when facing the T. rex?
2. Do you think Eckels' fear was understandable? Why or why not?
3. How does Bradbury's story show that fear can be both helpful and harmful?
4. Can you think of a time when fear caused you or someone you know to make a mistake? How did it turn out?
