## Fear's Echo

### Short Answer Key

1. Staying on the Path was important to avoid disturbing the environment and changing the future.
2. Bradbury described the T. rex as massive, with gleaming teeth and a roar that shook the ground, emphasizing its danger.
3. The air felt different, the words on signs were misspelled, and a cruel leader was now in power.
4. Eckels' panic caused him to run off the Path, leading to small actions like stepping on a butterfly that had enormous consequences.
5. The butterfly symbolizes how small actions can ripple outward and cause big changes.
