Name _____

The Great Lunchroom Food Fight Championship

Short Answer

1. Why did Mr. Thompson decide to turn the food fight into a championship competition instead of punishing the students?

2. What were some of the rules set for the Lunchroom Food Fight Championship, and why were they important?

3. Describe one creative tactic used by a team during the championship, and explain how it contributed to their success.

4. How did Sarah contribute to her team's success during the competition?

5. Why do you think Team Desserts won the final showdown, and what was their ultimate weapon?
