

Name _____

First Day of College

Short Answer Questions

1. Describe Max's arrival at his first class and the comical incident that ensues.
2. How does Max's behavior in the chemistry class lead to a humorous situation, and what is the result?
3. What unexpected twist occurs during Max's lunch at the cafeteria, and how does he react to it?
4. What role does Max play in the campus improv comedy club, and how does he end his first day at college?
5. In your opinion, how does Max's comically chaotic first day of college illustrate the idea that laughter and unexpected moments can make life memorable?
