## First Day of College

### Short Answer Questions Answers

1. Max arrived at his first class with a massive backpack and accidentally launched a rubber chicken and a whoopee cushion across the room when he fumbled with his bag, leading to laughter among his classmates.
2. In the chemistry class, Max spilled a beaker of colorful liquid on his lab partner, turning him into a living tie-dye experiment, resulting in a humorous situation.
3. During lunch, Max mistook the salad bar for an ice cream sundae station, creating a tower of lettuce and tomato with a cherry on top, surprising the cafeteria workers.
4. Max joined the campus improv comedy club and ended his first day by performing an improv comedy routine that had everyone in stitches.
5. Max's comically chaotic first day illustrates that unexpected moments and laughter can make life memorable by adding a sense of humor and unpredictability to everyday experiences.
