## First Love's Haiku

### Open-Ended Response Questions

1. In your own words, explain why first love is often associated with sweet and passionate emotions, as depicted in the Haiku.
2. How do you think the experience of first love can influence a person's outlook on relationships and emotions in general?
3. Can you think of any famous stories or songs that also capture the theme of first love? How do they compare to this Haiku?
4. How might the meaning and impact of the Haiku change if it were set in a different stage of life, such as old age or childhood?
