## Flat and Frustrated

### Short Answer Key

1. Unlike the original Stanley, this version was unhappy about being flat and struggled to adjust.
2. Kids stared, whispered, and laughed at him, making him feel embarrassed and different.
3. They tried to remind him of the advantages of being flat, but Stanley didn't want to hear it.
4. Arthur used a bicycle pump to carefully inflate Stanley back to his normal shape.
5. Stanley said, "I'll never take being normal for granted again."
