

Name _____

Flat but Fearless

Short Answer Key

1. Stanley could slide under doors, fit into small spaces, and be mailed in an envelope to travel easily.
2. He pretended to be a painting on the museum wall and surprised the thieves when they tried to steal him.
3. He reminded himself of all the ways his flatness was helpful instead of letting the teasing bother him.
4. He realized that even though he was different, he had used his situation to help others and go on exciting adventures.
5. He learned that unexpected challenges can also lead to new opportunities if you have the right attitude.
