

Name _____

My Adventure at the Enchanted Forest

Short Answer Key

1. In the Mushroom Grove, the adventurers found giant mushrooms that were as big as umbrellas and came in various colors, some of which glowed.
2. The Whispering Willow Tree had branches that reached out to them, and when they listened closely, they could hear the tree sharing ancient stories.
3. Inside the massive tree in the Magical Glade, there was a cozy, candlelit room filled with books and comfy chairs, which served as the secret library of the Enchanted Forest.
4. The adventurers felt grateful for the enchanting day they had shared in the Enchanted Forest.
5. Responses may vary, e.g. If I could visit the Enchanted Forest, I would hope to find the secret library filled with books about far-off lands and mythical creatures, where I could spend hours reading and immersing myself in magical stories.
