

Name _____

The Fortnite Fiasco

Short Answer Questions Answers

1. The local electronics store in Victory Valley was "Gamer's Paradise." When the doors opened, there was a stampede of gamers rushing in, pushing and shoving to get to the front of the line. Chaos ensued inside the store with toppled shelves and scattered game controllers.
2. Max distracted the crowd by performing the "Floss" dance, which turned the situation into a wild dance party. Carl, the store employee, couldn't resist joining in, and the gamers paused their search for the game to dance along.
3. Max and Lily managed to get the last copy of "Fortnite: Ultimate Victory" during the distraction caused by Max's dance-off. After their escape, they laughed about their adventure and played the game together.
4. The townsfolk of Victory Valley remembered the Fortnite Fiasco as a legendary event characterized by chaos, dancing, and Max and Lily's daring escape. It became memorable because it showcased the power of creativity and quick thinking in chaotic situations.
5. The lesson from Max and Lily's adventure is that sometimes, a creative and humorous approach can diffuse chaos and turn a stressful situation into a fun and memorable experience.
