

Name _____

France's Climate and Weather

Open-Ended Response Answer Key

(Possible responses; answers may vary)

1. Students may choose a climate zone and explain why they like it (e.g., warm beaches or snowy mountains).
2. Students can describe how warm weather allows for outdoor activities, while cold weather is better for winter sports.
3. Students may explain how the different climates allow people to do many activities throughout the year.
4. Students compare France's climate to their own country, mentioning similarities or differences in seasons.
