

Name _____

The Friendship Fracture

Short Answer Key

1. Sarah distanced herself from Emily due to envy caused by Emily's growing success in her career as an artist.
2. Bitter arguments and disagreements about the direction of their business venture led to the dissolution of Mark and David's partnership.
3. Lily played the role of the peacemaker in the group, but her efforts often went unnoticed or unappreciated as the conflicts deepened.
4. The chance encounter years later brought the group of friends back together, and they reconciled after realizing the folly of their ways.
5. The friends resolved their conflicts by apologizing, forgiving each other, and vowing to rebuild their friendship through open-hearted communication.
