

Name _____

The Galactic Quest

Short Answer Key

1. The teenagers were motivated to embark on their galactic quest by their shared passion for space exploration and the desire to uncover the mysteries of the universe.
2. Some challenges they encountered during their journey included navigating asteroid fields, deciphering ancient hieroglyphs, and facing a cosmic guardian in the Nebula Nexus.
3. The teenagers overcame the cosmic guardian's challenges through teamwork, quick thinking, and by demonstrating wisdom in their decision-making.
4. The difficult decision the teenagers had to make was whether to protect the Starstone from those who would misuse it or to use it to bring balance to the cosmos.
5. The story conveys the message that wielding great power comes with the responsibility to use it wisely and for the greater good, as the teenagers had to decide whether to protect the Starstone or use it to bring balance to the cosmos.
