

Name _____

Galactic Treasure Hunt

Open-Ended Response Questions

1. If you were part of Captain Starstrider's crew, which planet or location would you most want to explore on the Galactic Treasure Hunt, and why?
2. In the story, the crew faced various challenges and obstacles on their journey. Can you think of a real-life adventure or challenge you've faced, and how did you overcome it?
3. Imagine you found one of the artifacts from the story. What kind of adventures or mysteries do you think it would lead you to, and what would you hope to discover?
4. If you were to organize a space adventure, what kind of treasure or artifacts would you include in the race, and what unique challenges would participants face?
