

Name _____

Galactic Treasure Hunt

Open-Ended Response Answer Key

1. Answers may vary, but students might choose a planet with unique landscapes, mysterious ruins, or the potential for scientific discovery.
2. Students could share personal stories of overcoming challenges, such as a difficult hike, a school project, or learning a new skill.
3. Responses may vary, but students might describe adventures involving space exploration, time travel, or encounters with alien civilizations.
4. Students could invent their own space adventure with creative treasures and challenges, like capturing cosmic creatures, deciphering ancient alien codes, or surviving extreme environments.
