## Exploring the Enchanting Galápagos Islands

### Short Answer Key

1. The author reached the Galápagos Islands by taking a flight to Quito, the capital of Ecuador, and then a smaller plane to the islands.
2. The author encountered giant tortoises, sea lions, blue-footed boobies, and marine iguanas.
3. While snorkeling in the Galápagos, the author swam alongside colorful fish, playful sea lions, and even spotted a graceful sea turtle gliding by. It felt like exploring an underwater paradise.
4. At the Charles Darwin Research Station, the author learned about the islands' unique wildlife and conservation efforts.
5. The author felt fortunate and appreciative of exploring the Galápagos Islands.
