

Name _____

The Gaming Geniuses

Short Answer Questions Answers

1. Max and Alex entered the Gamer's Haven Gaming Tournament because they wanted to win the shiny, limited-edition gaming console.
2. In the early rounds of the tournament, Max and Alex performed exceptionally well, defeating their opponents easily.
3. Serena defeated Max and Alex in the finals by countering their moves with precision. Her secret was that she had been studying Max and Alex's gaming techniques by watching their online streams.
4. Max and Alex learned the lesson of humility and not underestimating their opponents from their experience in the tournament.
5. The term "Gaming Geniuses" likely means people who are exceptionally skilled at video games. Whether it accurately describes Max and Alex depends on your interpretation of their skills in the story.
