## The Great Pacific Garbage Patch: A Floating Pollution Challenge

### Open-Ended Response Questions

1. Discuss the challenges of cleaning up and mitigating the environmental impact of the Great Pacific Garbage Patch. What strategies and innovations might be effective in addressing this issue?
2. Reflect on the responsibility of individuals and communities in reducing plastic waste and preventing it from entering the ocean. What actions can people take to combat plastic pollution?
3. How can art, like Chris Jordan's, serve as a powerful tool for raising awareness about environmental issues and inspiring action? Provide examples from his work.
4. Share your thoughts on the long-term consequences of plastic pollution in the world's oceans and its potential impact on future generations.
