## Capturing Ghostly Images

### Open Ended Questions

1. Analyze the protagonist's motivation for visiting the old abandoned mansion and their belief in the supernatural. How did these factors drive their actions and shape the story's outcome?
2. Discuss the role of fear and excitement in the story. How did the protagonist's emotions evolve from the beginning of their adventure to the end? What does this reveal about their character?
3. Explore the theme of disappointment and the unexpected in the story. How did the protagonist's experience with capturing ghostly images on their phone contrast with their initial hopes and expectations?
4. Reflect on the story's humor and irony, particularly in the protagonist's attempt to capture paranormal evidence. How does the story use humor to highlight the limitations of technology in capturing the supernatural?
