## Giving & Taking

### Multiple Choice Questions

1. What does the tree do for the boy throughout the story?
  - a) She asks him to take care of her.
  - b) She moves away to another forest.
  - c) She refuses to help him as he gets older.
  - d) She gives him everything she has.
  
2. What does the boy take from the tree over time?
  - a) Her apples, branches, and trunk
  - b) Only her apples
  - c) Nothing, because he takes care of her
  - d) Her leaves to make clothes
  
3. What is one lesson the story teaches about relationships?
  - a) Giving and receiving should be balanced.
  - b) It is better to only give, even if you receive nothing in return.
  - c) People should only take when they need something.
  - d) Relationships do not require appreciation or gratitude.
  
4. Why do some readers feel the story is unfair?
  - a) The tree receives more from the boy than she gives.
  - b) The boy thanks the tree too much.
  - c) The boy keeps taking without ever giving back.
  - d) The tree refuses to give anything to the boy.
  
5. What could the boy have done differently to create a better balance in his relationship with the tree?
  - a) Given the tree some of the money he made from selling apples
  - b) Planted new trees or spent more time with the tree
  - c) Cut down the tree sooner
  - d) Taken even more from the tree
