

Name _____

Goldfish: What Do They Look Like?

Open-Ended Response Answer Key

1. Goldfish are popular because they are colorful, easy to care for, and fun to watch.
2. A new goldfish might have rainbow-colored scales and fins that light up in the dark!
3. A goldfish that receives good care, such as clean water and enough space, will grow larger and look healthier.
4. Goldfish have many colors and shapes because people have bred them to be more unique and beautiful over time.
