

Name _____

Goldfish: How Do They Communicate?

Open-Ended Response Questions

1. Why do you think goldfish rely on body language and color to communicate instead of sounds or scents?
2. How might a goldfish's communication change if it lived alone instead of in a group?
3. If you could create a tool to better understand goldfish communication, what would it be and how would it work?
4. Why is it important to observe a goldfish's behavior and colors if you are taking care of one?
