

Name _____

Ode to Graduation Moments

Caps and gowns, a chapter's end in sight,

Ode to graduation, a moment so bright.

With memories in our hearts and dreams in our eyes,

We step into the world, under open skies.

Goodbyes and farewells, but new beginnings await,

Ode to graduation, a journey we celebrate.

With diplomas in hand, we're ready to explore,

The world's our oyster, forevermore.
