

Name _____

Ode to Graduation Moments

Open-Ended Response Answer Key

1. Students can share personal experiences or reflections on their own graduations or those of family and friends.
2. Students can offer their interpretations of the symbolism behind "the world's our oyster" and its significance in relation to graduation.
3. Students can discuss the idea that graduation represents both an ending and a new beginning, reflecting on the transitions in life.
4. Students can provide advice to graduates based on the themes of the poem, emphasizing the importance of embracing new opportunities and cherishing memories while looking forward to the future.
